

Pasqualino's Evening Bus Person Employment Application

Whew – We're Busy!

Pasqualino's Italian Restaurant and Caterers is busier than ever. Our family-owned business is having its best year in our forty plus years. We have great opportunities for you to join our team. We offer flexible hours, full or part time, set weekly schedules and above average income for restaurant work.

In our Kitchen and Wait Staff Position we're looking for individuals who are creative, outgoing, self-motivated, reliable, 18 years of age or older, and who care about their future. We prefer people who have some experience working in restaurant kitchens (let's face it working in a busy restaurant can be intimidating), but if you have a passion for food, or are tired of that dead-end job you have now and want to get ahead, we'll be glad to talk to you.

If you're a little younger than 18, our Evening Bus Person/Dish Washer Position is a great place for you to start. Pasqualino's often promotes Bus Persons to the Kitchen and Wait Staff positions. Your success is our success.

Last but not least – Food Prep. Cooking, slicing, chopping, and baking. It's a mouthful (pun intended), but we can't run our restaurant without you. These are morning/afternoon shifts, which in most cases, can be tailored to fit your busy lifestyle.

Traits We Will Be Looking For

Dependability. Do your job as directed. Yes, all the time, no excuses. Get the work done, and done right. Follow all procedures, including cleanup, without direct supervision. Come to work awake and alert, not hung over, or tired from lack of sleep.

Team Player. Work with everyone else to make sure the things that need to get done, do get done---for the good of not just the restaurant, but also the team. Do you constantly seek ways to improve? Are you actively making the workplace better and efficient in the tasks at hand, or do you stand around waiting to be told what to do? Are you actively participating in the day to day life of the restaurant, or do you do the bare minimum of what you need to do to get the job done?

If everyone gives 100%, everyone's job is easier, profits, wages and tips rise, customers are served better. EVERYONE WINS!

Ability to Get Along with Other Employees. This means you have to be likeable. If people hate you, chances are you won't make it. It's pretty easy to be liked. Just do what's right and be aware of other's feelings, have manners, respect and you're good to go. This means no gossip, backstabbing, or lying.

Great Attitude and Enthusiasm. Negative attitudes bring everyone down. Do you actually care about the service you provide?

Interaction with Customers. Are you polite, courteous and attentive to every detail of their meal?
